

ARTIFACT OBSERVATION

An artifact is an object made by a human being.

Name: _____

Observe the Artifact.

What do you notice about its shape, color, size, or texture.

Draw the artifact.

What details are important to draw and label?

Infer - What Do You Think?

Who used it? How and why did they use it?

Talk to a Partner:

Why did you choose to study this artifact?

Does this artifact remind you of something you have seen in your neighborhood, school, or home? If so, what?
